Good morning:

I've attached several documents as additional exhibits to the Petition for Emergency Action in Kewaunee County, as well as a cover letter. Please share these with other EPA staff who are workin on the Petition. I will also send these exhibits by U.S. mail.

I look forward to talking with you later today.

Best,
Sarah Williams

Ms. Williams:

Tinka Hyde, our Water Division Director, will be on the call next week. Also, someone from our Office of Regional Counsel will also participate.

Mr. Poy:

I spoke with the other petitioners today in preparation for the call next week. We were wondering who from EPA will be participating in the call? Since the issues raised in the petition relate to the EPA's regulation of CAFOs, we think it would be worthwhile for EPA staff who work on CAFO regulation and enforcement to participate. Specifically, some of the petitioners have been in close contact with Cheryl Burdett and Tinka Hyde over the past couple of years regarding these issues. Also, since questions may arise regarding the EPA's authority under the federal laws cited in the petition, it may be useful for someone from the Office of General Counsel to be on the call. We understand this is a busy time of year, and these people may not be available, but if they are available, we think their participation would make it a more productive conversation.

Additionally, if there is anything in particular you would like to discuss with the petitioners, or any specific questions that you or other staff have, please let me know.

Thank you,
Sarah Williams

Good morning:

Thank you for getting back to me about our request for a follow-up meeting to discuss the Petition for Emergency Action in Kewaunee County. A conference call on December 16th at 1:00 works well for most of the petitioners. We can use MEA's conference line for the call.

Ms. Williams:

When Midwest Environmental Advocates, et.al. submitted the Petition for Emergency Action in Kewaunee County, you wanted to have a meeting or call with Region 5 to discuss the petition and recent developments. I have been asked to work with you to set up a meeting or call. Understanding that everyone is busy this time of year, is there time that you and others from the other organizations involved with the petition would be available over the next two weeks? Checking calendars here, possible dates/times include: December 11th (3:00 - 4:00), December 16th (between 1:00 and 3:00), or December 18th (10:30 - 12:00 or 1:00 - 2:00). Or it could be after the holidays.
